

We like to congratulate the organisation on a job well done. We are so happy to have been part of this wonderful experience and so proud of the Male Choir Liederkrantz under the direction of Donalee Inglis-Gorfer. All the practices and hard work paid off, winning GOLD in the Seniors Category. We really did jump for joy. We are surprised and elated and like to look forward to a possible next time.

It is a challenge to find words for the expression of gratitude and thanksgiving in our hearts. We were welcomed in such an exceptional way that we are still marvelling over our experience to this day. You went over and above to make our Journey to the Vatican tour most memorable for us.... The Voices of

Unity Family will never forget your display of generosity and we look forward to growing and cultivating the collaboration in the future.

We are in the Laurea Mundi Budapest right now and I am so glad that we did the evaluation portion of the competition. We had an excellent experience with the jury. The competition chooses very good representatives for the jury. Extremely knowledgeable and insightful comments.
